I, the above stated, do hereby authorize NWP Management to initiate payments from card listed above, and, if necessary, initiate adjustments for any transactions credited/debited in error.

I, the above stated, do hereby authorize NWP Management to initiate payments from card listed above to rectify a balance on my account due to late fees or month to month fees in the event that I incur the aforementioned fees. I understand that such measures will only be taken by NWP Management if I fail to pay the fees on the first of the month, when they are scheduled to be paid per the terms of my lease. I understand that these fees are outlined in my lease contract and my account will not be automatically drafted for miscellaneous charges or damage fees, but only for rent charges, late fees, or month to month fees, and only as dictated by the terms of said lease contract. This authority will remain in effect until NWP Management is notified by me in writing to cancel it in such time as to afford NWP Management and the financial institution a reasonable opportunity to act on it (at least three business days prior to date of scheduled transaction).

**Please keep in mind that, even on automatic payments made via Credit Cards, there will still be a 2.95% convenience fee.**
